REQUEST FOR REPLACING 'STATEMENT THAT THE TRANSLATION IS ACCURATE'

Sir:

The above-identified application was filed on October 21, 2004 based on a non-English specification. A 'statement' certifying that the translation of the specification is accurate was filed on February 28, 2005 in response to the 'Notice to File Missing Parts of Nonprovisional Application.' We have found an error in the statement. In the original statement, hereby attached and stamped "COPY," the name of the translator (Young Woo Park) is erroneously typed. The newly submitted statement shows the correct name of the translator (Won Jeon). Accordingly, applicant respectfully requests that the statement be replaced with the enclosed corrected statement.

In the event any additional extensions of time are required, please treat this paper as a petition to extend the time as required and charge Deposit Account No. 50-0679. **TWO (2) COPIES OF THIS SHEET ARE ENCLOSED.**

Respectfully submitted,
